

BUILDING THE PEACE MOVEMENT

THE FRANCO-BRITISH CHAMBER IS PROUD TO INTRODUCE THE PEACE & SPORT INITIATIVE TO ITS COMMUNITY!

Founded in 2007, Peace and Sport operates under the High Patronage of H.S.H. Prince Albert II of Monaco. The organisation was born from the conviction that sport is a powerful tool for bringing people together and overcoming differences.

In December 2027, Monaco will host an exceptional international event: the 20th anniversary of the Peace and Sport International Forum. It will bring together leading sporting champions, Heads of State and ministers (more than 60 international delegations), leaders of international organisations (UN, IOC, UNESCO...), Nobel Peace Prize laureates, international media, business and foundation leaders, and experts.

Throughout 2027, a series of events and communication campaigns will support Peace and Sport's actions and commitments. A unique partnership program has been designed. It combines a commitment to major CSR issues, a contribution to funding concrete initiatives on the ground, and a powerful marketing, business and networking lever.
