

## **FRANCO-BRITISH YOUNG TALENTS PROGRAMME:**

*Invest in the Future of Franco-British Leadership*

*This program, designed for young talents, aims to support companies in identifying and developing their future leaders.*

➔ **The Programme is a joint initiative between the Franco-British Chamber of Commerce and ESCP Business School, designed to:**

- Enable 20 to 30 high-potential Young Talents to benefit from a structured career-acceleration seminar, followed by internship opportunities in member companies.
- Offer member companies an early access to rising talent for future recruitment, while strengthening corporate visibility and influence in the Franco-British talent ecosystem.
- Shape a vibrant community of internationally minded professionals — your nominated Young Talent will join a growing alumni network, fostering lasting professional connections.

➔ **Two entry options are available:**

- €12,000 - For a company-nominated young professional  
(employee or apprentice/alternant)
- €14,000 – For a student-intern selected from the programme's talent pool

### ➔ **What is included in the training:**

- Travel logistics and accommodation
- Lunches and selected networking events
- Full training programme (workshops, networking sessions, company visits, and cultural events)
- Closing seminar and ceremony: invitation for company representatives to attend and network
- Ongoing access to a growing cross-border network of young leaders and corporate partners

### ➔ **Suggested programme timeline:**

- December 2025: Submit your internship offer
- March 2026: Select your intern or nominate a young talent from your company and confirm your participation
- May - October 2026: Professional Experience (internship or in-company training)
- May 2026: 4-days opening seminar (Paris campus)
- August 2026: 4-days seminar (London Campus)
- November 2026: Closing seminar in Paris: award of certificates & networking event
